# Introduction

Elaguizy Farms is a leading Egyptian Company that was founded in 1982. we specialize in the production, processing, and trading of high-quality agricultural products. we operate a 600 acre farm, Sorting and packing house, agriculture development company, and a food trading company to ensure that we provide our customers with the best possible products and services.

Elaguizy Farms has established itself as a major player in the agricultural industry, with a reputation for producing high-quality produce. At Elaguizy Farms, we are committed to providing our customers with high-quality agricultural products while maintaining sustainable farming practices.

We take pride in our work and strive for excellence in everything we do.

# Opening Message

at ELAGUIZY FARMS, we are more than just a company that delivers fruits and vegetables. We are a team of passionate individuals who believe in making a difference. Our mission is to become the partner of choice for customers, and our philosophy is to respect tradition while embracing new technologies and procedures that respect nature. We take pride in our commitment to sustainability and work hard every day to make the world a better place.

Ahmed Elaguizy

CEO

# Philosophy

Elaguizy Farms is a brand that prides itself on consistency. Consistency is not just limited to the quality of our products but extends to the delivery, service, and programs. Our products are known for their consistent quality, and you can always expect the same level of excellence from every box you purchase. We understand that consistency is the key to building trust with our customers, and we work hard to maintain this standard. Our philosophy is centered around customer satisfaction, and we believe that success is directly related to the happiness of clients, we are committed to going above and beyond to ensure that every customer is delighted with their products and services.

Consistency is the foundation of our success as our commitment to delivering high-quality products and services has earned us a reputation for excellence. With Elaguizy Farms, you can trust that you will always get consistent quality, timely delivery, and excellent service.

Middle East  
For Agriculture Development S.A.E

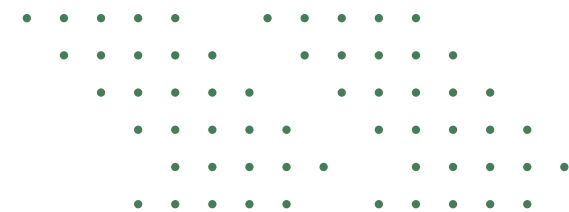

## Middle East for Agriculture Development

At MEAD - Middle East For Agriculture Development, we take great pride in our exceptional production division. Our team of agricultural engineering experts and R+D specialists bring an unparalleled level of knowledge and experience to the table. We believe that by preserving and promoting traditional farming methods, we can produce not just good products, but truly excellent ones. Our R+D team is constantly exploring new and innovative ways to improve our crops and bring out their full potential. At MEAD, we understand the importance of producing high-quality, sustainable products for our customers. That's why we prioritize research and development, constantly seeking out new ways to improve our farming practices and bring the best possible products to market. With our expert team and commitment to excellence, we are confident that we can continue to lead the way in agricultural innovation and production for years to come.
